This writ petition has been filed when the petitioner received Ext.P4 notice from the third respondent informing him that a portion of his shop room will be demolished and removed. It was also informed that the offending portion will be removed by the respondents with the police help.

2. On behalf of the 3rd respondent, learned Standing Counsel today submits that Ext.P4 as such will not be given effect to. According to them, they will initiate action only in compliance with the provisions of the Kerala Land Conservancy Act. To this, the petitioner cannot have any objection.

Accordingly, recording the submission made by the learned Standing Counsel, I close this writ petition.
